Policy wording

Introduction

Your insurance is covered under two master policy numbers, RTCEX40039-2A, **your** pre-travel policy and RTCEX40039-2B, **your** travel policy. Should **your** circumstances change and there is a **change in health** between the start of policy A and the start of Policy B **you** must inform **us** at the earliest opportunity. This is **your** travel insurance policy. It contains details of what is covered, conditions and what is not covered, for each **insured person** and is the basis on which all claims will be settled. It is validated by the issue of the Certificate of Insurance which **we** recommend be attached to the policy

This policy is designed to cover most eventualities whilst **you** are on **your trip**. It does not provide cover in all circumstances and **we** expect that **you** take all possible care to safeguard against accident, injury, loss or damage *as if **you** had no insurance cover*.

Policy eligibility

This policy is only available to **you** if **you** are permanently resident in the **United Kingdom** and registered with a **medical practitioner** in the **United Kingdom**.

You must be in the **United Kingdom** at the time of purchasing this policy and before starting **your trip**. Any **trip** that has already begun when **you** purchase this insurance will not be covered.

All **trips** must be completed within 18 months of the start date of the **period of insurance**.

You must be travelling with the intention to return to the **United Kingdom** within **your trip** dates unless an extension has been agreed with **us** and **we** have confirmed in writing.

You must not be travelling specifically to receive medical treatment during **your trip** or in the knowledge that **you** are likely to need treatment.

The law which applies to this policy

We will settle all claims under the Law of the country **you** live in within the **United Kingdom** or the Channel Islands unless **we** agree otherwise with **you**. Any disputes arising out of this contract will be submitted to the exclusive jurisdiction of the courts of the country that **you** live in within the **United Kingdom** or the Channel Islands.

Age eligibility

Policies are not available to anyone aged under 18 years or 35 years or over. If **you** reach the age of 35 years during the **period of insurance**, cover will continue until the expiry of the policy.

Geographical areas

You will not be covered if **you** travel outside the area **you** have selected, as shown in **your** Certificate of Insurance.

UK – England, Wales, Scotland and Northern Ireland.

EU1 – All countries listed in UK above; Channel Islands, Gibraltar, Isle of Man; all European countries west of the Ural mountains excluding Andorra, Cyprus, Greece, Spain and Turkey.

EU2 – All countries listed in UK and EU1 above; all European countries west of the Ural mountains including Andorra, Cyprus, Greece, Spain and Turkey.

AUS/NZ – Australia and New Zealand only.

WW2 – Worldwide including Canada, Mexico, the Caribbean and the USA.

Pregnancy

Our policies include emergency medical expenses cover for pregnancy and childbirth from week 0 to week 28 inclusive whilst **you** are away. From the start of week 29 to week 40 of the pregnancy, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise: *Toxaemia, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, Emergency Caesarean, A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if **you** know **you** are having more than one baby) before the expected delivery date*. Please note **we** will not cover denial of boarding by **your** carrier so **you** should check that **you** will be able to travel with the carrier/airline in advance. It is essential if at the time of booking **your trip** **you** are aware that **you** are pregnant that **you** ensure that **you** are able to have the required vaccinations for that **trip**; no cover will be provided for cancellation in the event that after booking **you** discover travel is advised against or **you** are unable to receive the appropriate and required vaccinations for that country.

Policy excess

Under most sections of the policy, claims will be subject to an **excess**. This means that **you** will be responsible for paying the first part of each and every claim per incident claimed for, under each section by each **insured person**, unless **you** have paid the additional premium to waive the **excess** as stated in the Certificate of Insurance.

In case of a serious emergency

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available.

IF YOU NEED MEDICAL ASSISTANCE WHEN YOU ARE AWAY YOU SHOULD CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customers should receive emergency medical treatment or management regardless of their ability to pay or any other consideration. A failure or refusal by a treating hospital or treating doctor to provide **emergency treatment**, management or care is a clear breach of an established duty of care.

YOU SHOULD THEN CALL US ON +44 (0) 20 3829 3836

Whilst the actual medical care **you** receive is in the hands of the local doctors treating **you**, **we** can obtain the medical information **we** need from them to establish what is wrong, as well as their treatment and discharge plans. **We** can support **you** in the event **you** are admitted to a facility that may not be suitable for **your** clinical needs or where there are concerns over practice. **We** will then advise on, and can put in place, suitable **repatriation** plans to get **you home** as soon as it is medically safe to do so. **We** will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of **repatriation** that is best suited to **your** individual needs of **your** recovery.

It is important that you are aware of the following:

Medical Treatment

- There is not cover for:
 - routine, non-emergency or elective treatment
 - or treatment that can wait until **you** return **home**.
- **Our** doctors are not treating **you**; they are not responsible or in control of the clinical care **you** are receiving in a medical facility.
- In some instances, **you** may need to be moved from one local facility to another large/more specialised facility, for treatment.
- Having travel insurance does not ensure a 'fast track' medical service from the treating facility, much like the NHS – emergency service rooms can be busy at certain times and so it is possible **you** may have to wait as **you** would in **your** local NHS hospital unless **you** require critical care.
- Some medical facilities will raise charges that are far in excess of customary and reasonable; **we** will deal with such bills directly and there is no need for **you** to pay them. **You** simply need to pass any correspondence about such bills to **us** to ensure **we** can provide full financial protection.
- Once **you** are discharged from hospital this does not always mean **you** are fit to fly **home** – For example, if **you** were in the UK and suffered the same injury/illness, then **you** would not consider flying out on holiday so soon after surgery/treatment/incident.

Repatriation (bringing you home)

- Coming **home** straight away is not always an option even if **you** are considered 'fit to fly' by the treating doctor.
- **We** have a medical team with experience in aviation medicine who will advise on both the timing and method of **repatriation** that is best suited to **your** individual needs and **your** recovery.
- Most airlines require specific criteria to be met in order to accept a 'medical passenger'.
- Things change – if **your** health, stability or vitals change – then so do the plans.
- Availability of air ambulances, stretchers and appropriate medical escorts can be limited in specific areas and at different times of the year.
- Air Ambulances are 'flying intensive care units' and are only used to transport critical patients to a hospital in the UK, if treatment is not possible where they are.

OUT-PATIENT TREATMENT OF MINOR INJURY OR ILLNESS

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available.

FOR A NON-URGENT MEDICAL SITUATION

That is something **you** would normally see **your** GP or minor injuries unit for, so **you** don't need to attend hospital but **you** do need some medication to treat a non-emergency situation. Like what? Poorly child with tonsillitis? Infected cut on **your** foot? **We** have teamed up with **Medical Solutions UK Ltd**, who offer UK Registered Doctors who give medical support and assessment over the phone and are able to prescribe in many countries across the globe. This means **you** can quickly access support with minor ailments without disrupting **your trip** too much. **You** can access this facility free of charge by calling **+44 161 468 3793**.

YOU CAN ALSO CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customers should receive emergency medical treatment or management regardless of their ability to pay or any other consideration, a failure or refusal by a treating hospital or treating doctor to provide **emergency treatment**, management or care is a clear breach of an established duty of care.

OPTIMAL CARE

In **our** experience access to the best doctors, diagnostics and optimal care, particularly in Europe but also across many destinations worldwide, is to be found within the regulated environment of state hospitals. Whilst they don't always look as nice as some private facilities, **we** have experience of good clinical outcomes without the risk of a patients' health being compromised by commercial interest, or immoral and dangerous practices such as extortion, detainment and withdrawal of treatment. If **you** would like to know more about **our** approach to best medical care overseas and **repatriation** planning, please visit **our** website www.ourphilosophies.co.uk.

IN THE EVENT THAT YOU DO RECEIVE OUT-PATIENT TREATMENT WHEN YOU ARE TRAVELLING

In European Union Countries – if **you** present **yourself** at a public facility **you** should show **your** EHIC.

In Australia – **you** should enrol for Medicare, and have it accepted.

*Using these agreements in public facilities will mean that medical treatment will be free, or at a reduced cost, and **your** standard policy **excess** will be waived from any claim **you** may make. If **you** are unable to use the EHIC, **you** will have to pay the medical facility and submit a claim when **you** get **home**, the policy **excess** will then be applied.*

In Turkey, Cyprus, Egypt and Bulgaria – **we** utilise the services of Global Excel who can arrange for the bill to be paid directly. **You** simply fill in a Global Excel form in the medical facility to confirm the nature of the treatment received and pay **your** policy **excess** to the facility. They will then send the remaining bill directly to Global Excel for payment. More information can be found here www.globalexcel.com.

Everywhere else in the World – if there is not suitable public facility that will treat **you** free of charge, **you** can pay the medical facility and retain all receipts so that **you** can make a claim when **you** get **home**.

PLEASE NOTE: If the costs are likely to exceed £500 or **you** are admitted to hospital, **you** should call **us** on **+44 (0) 20 3829 3836**.

USA MEDICAL COSTS

Medical providers in the USA routinely charge international patients many times higher than it costs them to provide service. As this policy covers customary and reasonable medical expenses, **we** will not pay excessive or inflated charges for **your** treatment, so it is important that **you** do not pay any medical providers up front, either at the time of **your** treatment or on **your** return to **your home** country. They may engage the services of collection agencies but any correspondence should simply be sent on to **us**, unanswered: there is no lawful action that can be taken which **we** cannot step in and take over on **your** behalf.

Policy A: Your Pre Travel Policy

Section A1 – Cancellation charges

What is covered

We will pay **you** up to the amount shown in the **Schedule of benefits** for **your** proportion only of any irrecoverable unused travel and accommodation costs and other pre-paid charges (including **excursions** up to £250) which **you** have paid or are contracted to pay, together with **your** proportion only of any reasonable additional travel expenses incurred if cancellation of the **trip** is necessary and unavoidable and due to:

1. The death, **accidental bodily injury, illness** (excluding contracting Covid-19), disease, or complications arising as a direct result of pregnancy of:
 - a) **you**

4. **You** or any person who **you** are travelling or have arranged to travel with, are a member of the Armed Forces, Territorial Army, Police, Fire, Nursing or Ambulance Services or employees of a Government Department and have **your/their** authorised leave cancelled or are called up for operational reasons, provided that the cancellation could not reasonably have been expected at the time when **you** purchased this insurance or at the time of booking any **trip**.

There is no cover under this policy for cancellation, abandonment or **curtailment** claims if the Foreign, Commonwealth and Development Office (FCDO) advises **you** not to travel, for example when the FCDO advise against all but essential travel to an area affected by Coronavirus, COVID-19, Severe Acute Respiratory Syndrome (SARS-COV-2) or any mutation of Coronavirus, COVID-19 or SARS-COV-2.
2. If **you** fail to notify the travel agent, tour operator or provider of transport or accommodation as soon as **you** find out it is necessary to cancel the **trip**, the amount **we** will pay will be limited to the cancellation charges that would have otherwise applied.
3. If **you** cancel the **trip** due to any **medical condition, accidental bodily injury, illness**, disease or complications arising as a direct result of pregnancy, **you** must provide (at **your** own expense) a medical certificate from a **medical practitioner** stating that this necessarily and reasonably prevented **you** from travelling. **We** need the medical certificate completed as soon as **you** find out it is necessary to cancel the **trip**, as any delay in seeing a **medical practitioner** could mean that **your** symptoms are no longer present. If **you** cannot get an immediate appointment, please make one for as early as possible and keep all details of this to help substantiate **your** claim.

What is not covered

1. The **excess** as shown in the **Schedule of benefits**, unless **you** have purchased the **excess** waiver and this is shown on **your** Certificate of Insurance.

2. The cost of Air Passenger Duty (APD) whether irrecoverable or not.

6. Anything mentioned in 'What is not covered' on pages 9 & 10 applicable to all sections of the policy.

You should also refer to the 'Important conditions relating to health'.

Section B2 – Emergency medical and other expenses

Be Aware: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available. Whilst the actual medical care you receive is in the hands of the local doctors treating you, we can obtain the medical information we need from them to establish what is wrong, as well as their treatment and discharge plans. We can support you in the event you are admitted to a facility that may not be suitable for your clinical needs or where there are concerns over practice. We will then advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so. We will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation that is best suited to your individual needs and recovery.

What is covered

We will pay you up to the limit shown in the **Schedule of benefits** for the following *necessary* expenses that are payable within six months of the event that causes the claim that results from **your death, accidental bodily injury or illness**:

1. Customary and reasonable fees or charges, for necessary and **emergency treatment**, to be paid outside **your home area** for medical, surgical, hospital, nursing home or nursing services.
2. Emergency dental treatment for the immediate relief of pain (to natural teeth only) incurred outside of **your home area**.
3. Costs of telephone calls:
 - a) to the Assistance Team notifying and dealing with the problem for which **you** are able to provide receipts or other reasonable evidence to show the cost of the calls and the numbers **you** telephoned
 - b) incurred by **you** when **you** receive calls on **your** mobile phone from the Assistance Team for which **you** are able to provide receipts or other reasonable evidence to show the cost of the calls.
4. The cost of taxi fares for **your** travel to or from hospital relating to **your** admission, discharge or attendance for outpatient treatment or appointments and/or for collection of medication prescribed for **you** by the hospital.
5. If **you** die:
 - a) outside **your home area** the cost of funeral expenses abroad up to the amount shown in the **Schedule of benefits** plus the reasonable cost of returning **your** ashes to **your home**, or the additional costs of returning **your** body to **your home**
 - b) within **your home area** the reasonable additional cost of returning **your** ashes or body to **your home**.
6. Reasonable additional transport and/or accommodation expenses incurred, up to the standard of **your** original booking (self catering or room only), if it is medically necessary for **you** to stay beyond **your** scheduled return date.

This includes, with the prior authorisation of the Assistance Team, reasonable additional transport and/or accommodation expenses for a **travelling companion**, friend or **close relative** to stay with **you** or travel to **you** from the **United Kingdom** or escort **you**. 7. With the prior authorisation of the Assistance Team, the additional costs incurred in the use of air transport or other suitable means, including qualified attendants, to repatriate **you** to **your home** if it is medically necessary. These expenses will be for the identical class of travel utilised on the outward journey unless the Assistance Team agree otherwise.

3. The intention of this section is to pay for emergency medical/surgical/dental treatment only and not for treatment or surgery that can be reasonably delayed until **your** return to **your home area**. **Our** decisions regarding the treatment or surgery that **we** will pay for (including **repatriation** to **your home area**) will be based on this. If **you** do not accept **our** decisions and do not want to be repatriated, then **we** will cancel all cover under **your** policy and refuse to deal with claims for any further treatment and/or **your repatriation** to **your home area**.
