# IN CASE OF A SERIOUS EMERGENCY

please contact the 24 hour emergency assistance service provided by Emergency Assistance Facilities

+ 44 (0) 203 829 6745

Your policy covers treatment at a public/state facility only, unless approved by us. Call an ambulance using the local equivalent of a 999 number, or alternatively by dialling 112 within the EU, and then contact Emergency Assistance Facilities for advice. We strongly suggest you put their telephone number, +44 (0) 203 829 6745, into your mobile phone before you travel so that it is to hand if you need it. Get details of the hospital you are being taken to so that our Emergency Assistance Facilities doctor will be able to obtain a medical report at the earliest possible opportunity. You may need to pay the policy excess locally and ask the hospital to send the rest of their bills to Travel Claims Facilities at: 1 Tower View, Kings Hill, West Malling, Kent, England, ME19 4UY. Our appointed assistance service, Emergency Assistance Facilities, will explain this to them and provide them with a faxed/email confirmation if necessary.

### You will need to have some basic information for them to hand:

- your telephone number in case you are cut off
- patient's name, age and as much information about the medical situation as possible
- name of the hospital, ward, treating doctor and telephone numbers if you have them
- tell them that you have Puffin Insurance Silver Travel Insurance, policy number and the date it was bought
- patient's UK GP contact details in case they need further medical information.

### Things to be aware of/remember

- your policy does not cover any costs private medical treatment unless authorised by us.
- NEVER give your passport to a clinic or hospital.
- It is not always possible to return home immediately after discharge following injury or illness. You will be able to return home when the assistance service considers it safe, in conjunction with your doctor, and airline regulations have been met. Sometimes you will need to stay in resort for a while longer before returning home so the assistance team will arrange additional accommodation for you.

# **OUT-PATIENT TREATMENT OR MINOR INJURY OR ILLNESS**

If you need to see a doctor, ask your hotel reception or tour representative for the nearest <u>public/state</u> medical facility. Some hotels will urge you to seek private treatment however this is not necessary as private medical facilities vary greatly and are not equipped to deal with all emergencies. They may give you unnecessary treatment and at inflated prices - if you are ever in doubt please call the assistance team for advice on where to seek treatment. In Europe you should show them your EHIC card as medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the standard policy excess will be reduced to NIL (increased excesses applied to declared conditions will still be required to be paid, if related to the cause of you requiring medical treatment). You will only be covered for the cost of private treatment if this is approved in advance by Emergency Assistance Facilities. If your outpatient bill is less than £500 then you will need to pay this to the medical facility, and ensure you keep all receipts so you can claim upon your return. In the event that you need to seek outpatient treatment when you are travelling in any of the countries listed below then it may be that immediate payment can be arranged locally using the services of Charge Care International whom we have appointed to act on our behalf. To take advantage of this service please show the treating doctor or clinic the logo printed here as this will enable them to identify our membership and avoid language difficulties. If the hospital you are treated at subscribes to this service they will ask to

see your proof of insurance so it is important to carry this with you. You will be asked to complete a simple Charge Care form to confirm the nature of the treatment received. The doctor or clinic will collect the policy excess from you and send their bill to Charge Care for payment. The countries where this service is available are: Greece and the Greek Islands, Cyprus, Bulgaria, Egypt, Mexico and Turkey. www.chargecareinternational.co.uk

## WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers you to come home early because you are ill or injured, <u>only</u> if medical treatment is not available locally. If you are thinking of cutting short your trip because you are not well then you must contact Emergency Assistance Facilities on +44 (0) 203 829 6745 for advice first. If you need to come home for any other reason, such as the illness of a close relative in the United Kingdom, Channel Islands or BFPO then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured. If you are not sure whether your circumstances are included in the cover then call Travel Claims Facilities on +44 (0) 203 829 6761.

Unlike other policies we cover many sports and activities as standard; no additional premium is required for activities listed in Activity Pack 1. We have categorised the activities that are not covered as standard into seven further bands. If you do not see your chosen activity, do not worry, we may cover it, but you must contact us so we can discuss the activity and what, if any, additional premium is necessary. The activities are covered on the basis that your chosen activity is not the sole purpose of your trip (with the exception of winter sports whereby you can opt to have specific winter sporting activities included, which will be covered for the entire duration of your trip). (All of the activities are covered on a non-professional and non-competitive basis, unless otherwise stated). Any claims which arise whilst undertaking any of these activities for any purpose other than leisure (examples of non-leisure purposes include professional / semi-professional / paid / sponsored racing, timed events, professional, display events, photo shoots, etc...) will not be covered under this policy. If you are unsure please do not hesitate to contact us on 0333 772 0346 and we can discuss your individual requirements. We consider 'professional or competitive' to be activities/sports where you are either paid for participating in, receive any element of sponsorship, fees or prize money in excess of £200. Please note those activities marked with an asterisk (\*) do not have Personal Accident or Personal Liability cover.
