Policy information	
Your insurance is covered under two master policy numbers, RTAPU40103-03 A your pre-travel policy and RTAPU40103-03 B your travel policy, specially arranged by Puffin Insurance on behalf of Travel Insurance Facilities, insured by the United Kingdom and Republic of Ireland Branch Office of Union Reiseversicherung AG. In the event that you have paid for a trip on behalf of other individuals not insured on this policy please be advised that your policy only provides cover for your proportion of trip costs, as opposed to the amount you have paid on behalf of others.	
We have a cancellation and refund policy, which you will find in full on page 9. Please be aware no refund of the insurance premium will be given after the policies have been issued if you have travelled on, claimed or intend to claim against the policy.

IN CASE OF A SERIOUS EMERGENCY

You should first call an ambulance using the local equivalent of a 999 number. If you are travelling within the EU you should dial 112.

You should then, when possible call tifgroup-assistance which is available 24 hours a day, all year round on:

+ 44 (0) 203 829 6742 or email assistance@tifgroup.co.uk

Please be aware that this is a travel insurance policy and not private medical insurance, therefore it does not cover any medical expenses incurred in private facilities if adequate public facilities are available, unless specifically authorised by the tifgroup-assistance team.

Public facilities in most countries are best equipped to deal with your immediate clinical needs and your long-term recovery. As the emergency service the local population relies on, they have access to the best doctors and the best equipment, they are open 24 hours a day and they are regulated. If you are taken to a private facility, call us immediately and we will advise what options are open to you. We will deal with any requests for payment from the private facility so you should resist any attempt from them to make you pay anything. The tifgroup-assistance team is available 24 hours a day, 365 days a year to assist you, and whilst the actual medical care you receive is in the hands of the local doctors attending you, we can obtain the medical information we need from them to establish what is wrong, as well as their treatment and discharge plans.

The tifgroup-assistance team will advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so. We will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation what is best suited to your individual needs and your recovery. If you would like to know more about our approach to best medical care overseas and repatriation planning, please visit our website www.philosophies.tifgroup.co.uk

Your best medical interests accounting both for immediate medical needs and for your long-term health are at the very heart of any recommendations made by the tifgroup-assistance team.

You will need to have some basic information for them to hand:

- the patient's UK GP contact details in case they need further medical information;
- tell them that you have Puffin Gold Travel Insurance, the policy number and the date it was bought; and
- the patient's name and age, as well as, as much information about the medical situation as possible, including where the patient is being treated and the name of the treating doctor.

Things to be aware of/remember

- this is a travel insurance policy and not private medical insurance, therefore it does not cover any medical expenses incurred in private facilities if adequate public facilities are available, unless specifically authorised by the tifgroup-assistance medical team;
- **NEVER** give your passport to a clinic or hospital;
- you may be required to authorise us to obtain your medical records from your GP in the event of a claim.

OUT-PATIENT TREATMENT OR MINOR INJURY OR ILLNESS

Please be aware that this is a travel insurance policy and not private medical insurance, therefore you should always try to use public health facilities if they are available.

In the event that you need to seek outpatient treatment when you are travelling:

- **in European Union Countries** – if you present yourself at a public facility you should show your EHIC;
- **in Australia** - you should enrol for Medicare, and have it accepted.

Using these agreements in public facilities will mean that medical treatment will be free, or at a reduced cost, and your standard policy deductible will be waived from any claim you may then make. If you are unable to use the EHIC, you will have to pay the medical facility and submit a claim when you get home, the policy deductible will then be applied.

- **in Turkey, Cyprus, Egypt and Bulgaria**, we utilise the services of Charge Care International who can arrange for the bill to be paid directly. You simply fill in a Charge Care form in the medical facility to confirm the nature of the treatment received and pay your policy deductible to the facility. They will then send the remaining bill directly to Charge Care for payment. www.chargecare.net
- **everywhere else in the World** - if there is no suitable public facility that will treat you free of charge, you can pay the medical facility and retain all receipts so that you can make a claim when you get home.

WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers you to come home early because you are ill or injured, only if medical treatment is not available locally. If you are thinking of cutting short your trip because you are not well then you must contact tifgroup-assistance on **+44 (0) 203 829 6742** for advice first. If you need to come home for any other reason, such as the illness of a close relative in the United Kingdom, Channel Islands or BFPO then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured. If you are not sure whether your circumstances are included in the cover then call Travel Claims Facilities on +44 (0) 203 829 6766.

DISCLOSURE OF A CHANGE IN HEALTH AFTER PURCHASING YOUR POLICY

Your policies may not cover claims arising from your medical conditions. If you answer 'yes' to any of the questions below then you must declare the relevant conditions to us.

So that we can ensure you are provided with the best cover we can offer please read and answer the following questions carefully and accurately:

Have you or anyone insured under this policy:

Do any close relatives, business associates or friends who are not travelling with you or who are not insured with us have an existing medical condition (even if considered as 'stable', under control or in remission)?

Yes

BE AWARE!

We are unable to provide cover for any claim arising as a result of an existing medical condition of a non-travelling close relative, the person you are intending to stay with, or a business associate or friend, or any known or recognised complication of or caused by the existing medical condition.

CHANGE IN HEALTH

Page 8

If your health or your ongoing medication changes between the date the policies were bought and the date of travel you must advise us on 0333 772 0346 as soon as possible. We will advise you what cover we are able to provide for your change in health, as defined on page 10, after the date of diagnosis. We reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary

BE AWARE! We do not provide any cover for:

- claims caused by an existing medical condition of a non-travelling close relative, the person you are intending to stay with, or a close business associate, or any recognised complication caused by the existing medical condition as defined on page 10.
- any circumstances that are not specified in your policies.

WHEN YOUR TWO POLICIES START AND END

When purchasing a Single Trip Policy, the cover under Policy A, as described as Section A Pre-Travel Policy, begins from the moment you pay your premium and ends when you leave home to start your trip.

On Annual Multi-Trip policies, cover starts on the chosen date and cancellation cover is not in force until that date. Subsequent trips will be covered for cancellation during the period of cover.

The cover under Policy B, as described as Section B Travel Policy, begins when you start your trip and ends when you complete your trip, or when the policy expires, whichever is first. No further trips will be covered except where you hold an Annual Multi-Trip policy which will cover further trips with durations of 62 days and less.

There is absolutely no cover for any portion of a trip which is longer than 62 days in duration.

EXTENSION OF PERIOD

If in the event of either your:

- death, injury or illness during your trip,
 - delay or failure of public transport services during your trip,
 - delay or failure of your return flight to the UK, Channel Islands or BFPO from your international departure point;
- you are unable to complete the trip before your travel policy expires, cover will be automatically extended without additional premium for the additional days necessary to complete the trip.

YOUR POLICY WORDINGS	Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. The policy is a legal contract between us and you. We will pay for any insured event, as described in the policy, that happens during the period of validity and for which you have paid the appropriate premium. Travel insurance policies have specific requirements for both purchasing and making successful claims. <u>Please take the time to read and understand it</u> straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered); if your circumstances do not fit those specified then there is no cover in place.
CANCELLING YOUR POLICIES	You have a ‘cooling off’ period where, should you decide that you find that the terms and conditions do not meet your requirements, and provided you have not travelled or claimed on the policy, you can advise Puffin within 14 days of purchase for a full refund to be considered. Should you wish to cancel your policy outside of the 14 day cooling off period, and can confirm that there have been no claims on the policy and that you have not travelled, the following cancellation terms will be applied dependant on what type of policy you have purchased. Single Trip policies - In the event you have not travelled and are not claiming on the policy, a refund of 50% of the policy premium and any additional premium applied to your existing medical conditions will apply. If you have travelled or are intending to claim, or have made a claim (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium. Annual Multi Trip policies - Provided you have not made a claim on the policy (irrespective of whether your claim was successful or not) and you confirm in writing that there is no claim pending, should you choose to cancel and understand that all benefits of the policy will be cancelled, we will refund 5% of the total premium paid, for each full calendar month remaining on the policy from the date of cancellation. If you are intending to, or have claimed (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium. <i>We reserve the right to give 7 days’ notice of cancellation of this policy, without refund, by recorded delivery to you at your last known address in the event of the following circumstances; fraud, suspected fraud, misleading information or deliberate misrepresentation, abusive behaviour to any of our staff or agents.</i>
BE CAUTIOUS	This policy is designed to cover most eventualities whilst you are on your trip. It does not provide cover in all circumstances and we expect that you take all possible care to safeguard against accident, injury, loss or damage <i>as if you had no insurance cover.</i>
PREGNANCY	Our policies include emergency medical expenses cover for pregnancy and childbirth from week 0 to week 28 inclusive whilst you are away. From the start of week 29 to week 40 of the pregnancy, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise: Toxaemia, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, Emergency Caesarean, A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if you know you are having more than one baby) before the expected delivery date. Please note we will not cover denial of boarding by your carrier so you should check that you will be able to travel with the carrier/airline in advance. It is essential, if at the time of booking your trip you are aware that you are pregnant, that you ensure that you are able to have the required vaccinations for that trip; no cover will be provided for cancellation in the event that, after booking you discover travel is advised against, or you are unable to receive the appropriate and required vaccinations for that country.
MEDICAL COVER	Your travel policy is not Private Health Insurance, in that it only covers unavoidable, unexpected emergency treatment. You need to check that you have had all the recommended vaccinations and inoculations for the area you are travelling to. It is also recommended that you check with your doctor that it is safe for you to travel bearing in mind your method of travel, the climate and the availability and standard of local medical services in your chosen destination. You will then need to declare your existing medical condition and have it accepted by Travel Administration Facilities for it to be eligible for cover under your policy. It is often wise to carry additional supplies of your regular prescribed medications in your hand luggage in case your bags are delayed. Cover will not be granted if travel is against the advice of your doctor or a medical professional such as your dentist.
EHIC	The European Health Insurance Card (EHIC) allows you (provided you are a UK or BFPO resident) to access state-provided healthcare in all European Economic Area (EEA) countries and Switzerland at a reduced cost and in many cases free of charge. We strongly recommend that you carry it with you when travelling abroad. Remember to check your EHIC is still valid before you travel. Applying on www.ehic.org.uk for the card is free and it is valid for up to five years. If your EHIC is accepted whilst obtaining medical treatment abroad your policy excess will be reduced to Nil (with the exception of increased excess relating to declared medical conditions). If you are travelling outside the EEA then there are some countries that have reciprocal agreements with the UK and these can be found on http://www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEACountries/Pages/Non-EEACountries.aspx . Please note residents of the Isle of Man and the Channel Islands are not eligible for an EHIC.
MEDICARE	If you are travelling to Australia you must register with Medicare on arrival. There is a Medicare office in all major towns and cities in Australia. Registration is free and this will entitle you to reduced medical charges from doctors, reduced prescription charges and access to Medicare hospitals.
YOUR EXCESS	Your policy carries an excess and this is the amount you have to contribute towards each claim. All excesses shown for this policy are payable by <u>each</u> insured-person, per section and for each incident giving rise to a separate claim. Your excess may be increased to include existing medical conditions (including anything directly or indirectly related to that condition) confirmed in writing by us. The increased excess will apply to all persons insured on the policy whose claim has been caused by the declared medical condition.
